Re: Proposed Bill. No. 5782  
AN ACT CONCERNING THE HOTEL TAX

I am writing today to ask you to support Proposed Bill 5782. This bill will greatly benefit municipalities that host hotels. Currently, the Town of Montville has four hotels with a total of four hundred thirteen rooms. The monies raised by the proposed bill will assist the town in offsetting public safety costs as well as impacted infrastructures associated with hotel usage.

I thank you in advance for your consideration. Please do not hesitate to contact me if you require additional information.

Sincerely,

Donna B. Jacobson
